The Department works closely with other municipal departments and provides assistance to them as required.

Essential Duties and Responsibilities

1. Responsible for water/wastewater utility billing, including calculation of bills, preparation of pre-billing estimates, printing and mailing all utility bills and running and distributing post-billing reports.
2. Complete work orders for new customer connections and disconnections, and all transactions for closed and/or transferred utility accounts.
3. Post and edit meter reads, review calculations, verify discrepancies, and make necessary corrections.
4. Research and investigate billing errors, discrepancies and adjustments, and report any ongoing issues to the supervisor.
5. Process payments received in person, by mail, facsimile and from banking institutions, ATM and debit machine payments.
6. Balance daily cash receipt deposits and perform nightly closing procedures to maintain accurate records.
7. Prepare various account reconciliations and related journal entries on a monthly basis.
8. Resolve customer services issues related to water and wastewater billing in person and by phone; escalate issues to supervisor as appropriate; and/or refer customers to other departments as appropriate.
9. Assist with and complete as directed or assigned various financial and general accounting activities such as accounts receivable, payroll, property taxes and accounts payable.
10. Control and balance records and summaries and complete year-end reports and reconciliations.
11. Cross-training is required for the performance of duties of other office personnel in their absence.
12. Assist in achieving corporate excellence through information provision, problem solving and teamwork.

Required Education / Work Experience

1. Minimum of a post-secondary Business Administration diploma in accounting and/or finance.
2. Minimum one year experience in an accounting environment.
3. Experience with ICity Software and/or in a municipal environment will be considered an asset.

Required Skills and Abilities / Work Demands

1. Demonstrated strong organizational skills with the ability to prioritize work in order to meet deadlines.
2. Excellent networking and interpersonal skills to interact with staff, Council, management and members of the public. These skills are required to represent the municipality and maintain its prestige and image as well as to provide a strong teamwork environment.
3. Apply effective customer service techniques; respond to customer inquiries and complaints in a courteous, understanding and concerned manner.
4. Excellent oral and written communication skills.
5. Excellent skills in Microsoft Office including its spreadsheet application.
6. Excellent mathematical skills and ability to prepare general accounting journal entries.
7. Ability to maintain sustained attention to detail in checking and recording financial transactions.
8. Excellent computer skills with the capacity to promptly learn new computer software programs relevant to the municipality.
