

PRECAUTIONARY

NELLIE LAKE

Issued Friday, May 26, 2023

The Porcupine Health Unit (PHU) is advising residents of Nellie Lake who live in low lying areas and areas affected by flood water to boil their water for one (1) minute or more until the flood situation is assessed.

For more information, see PHU's Water Advisory webpage.

Anyone at Nellie Lake in need of drinking water can visit the Sports Complex between the hours of 10:00 am-3:00 pm, Monday-Friday to fill up a water jug.
