

NOTICE

TOWN OF IROQUOIS FALLS

Provincial Day of Action on Litter

The Town of Iroquois Falls is proud to announce its support for the upcoming fifth annual Provincial Day of Action on Litter, taking place on Tuesday, May 14, 2024. This province-wide event aims to unite citizens, municipalities, and businesses in a collective effort to create a greener, cleaner, and more sustainable environment for current and future generations.

We invite schools, groups, and organizations in Iroquois Falls to join us in making a difference on May 14, 2024. By coming together to clean up our neighborhood, parks, and public spaces, we can demonstrate our commitment to preserving the beauty of our town and protecting the environment for generations to come. Together, we can make our town cleaner, healthier, and more sustainable.

For more information on how to get involved in the Provincial Day of Action on Litter, please visit www.ontario.ca/actONlitter or contact actONlitter@ontario.ca.

Not sure where to start? Here are some cleanup site ideas:

- Trails: Meadow Creek, ski hill.
- Common Play Areas: Playgrounds, baseball field, tennis courts, skating rinks.
- Public Parks: Anson Park, Devonshire Park.
- Sidewalks along neighbourhood streets.
- Vacant lots or parking lots (with owner's permission).

Small actions lead to big changes – lets tidy up our community one piece of trash at a time.

*Dated this 29th day of April 2024.
Maureen Reeder, Clerk*
