

# NOTICE

## TOWN OF IROQUOIS FALLS

---

As per the process of developing our new website, the Town of Iroquois Falls is seeking residents' participation in a Treejack Study for the best results.

This study involves prompts to locate information based on where each individual would think it would be. There are no right or wrong answers. This will help us to make the website more accessible and user-friendly when site visitors are navigating it.

The link to complete the study is available on the municipal website.

Any questions regarding this study may be directed to Justice Lerette at Town Hall by calling (705) 232-5700.

Thank you for your participation!

*Dated this 7<sup>th</sup> day of June, 2024*  
*Maureen Reeder, Clerk*
